STUDIOS AND FACILITIES

# LOCATION

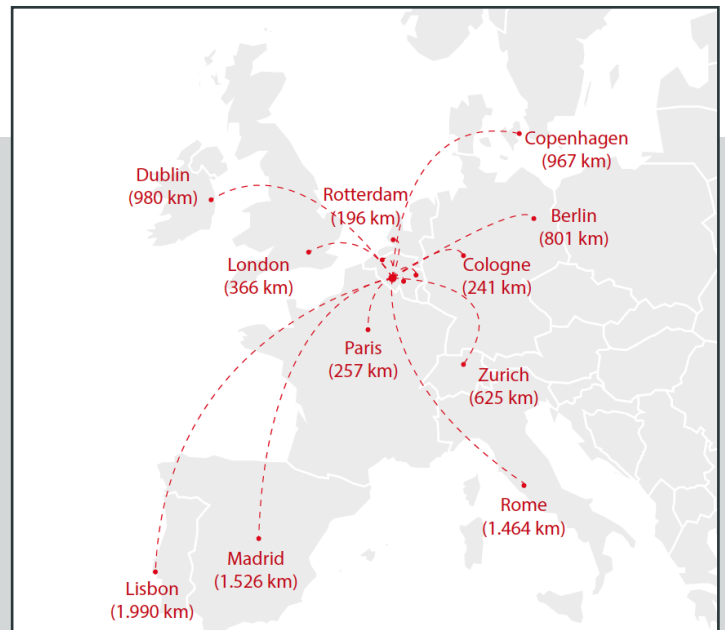

In the center of Belgium and in the heart of Europe, we welcome you in a complex of more than 24,000m<sup>2</sup>, arranged and studied for all your events.

500 m from the exit of the E19  
Paris - Brussels motorway  
250 km from Paris  
100 km from Lille  
55 km from Brussels

45 minutes from Brussels National Airport and 20 minutes from Charleroi airport. Shuttles available.

1h15 from Paris by TGV 25 minutes from Brussels Midi station. A direct train to La Louvière station.

# SERVICES

## STORAGE

We store your studio sets on simple request to facilitate the management and planning of your productions and allow you to shoot several times a year while leaving the set on the spot.

## SETS CONSTRUCTION WORKSHOP

A building of 500 m2 adjacent to the event spaces is used for the immediate construction of TV , cinema and event sets. It includes a workshop of ironwork, welding, carpentry as well as a painting booth.

## EQUIPMENT RENTAL

Various additional solutions are available on site such as a remote platform, a clark or a scissor lift.

## RANGE OF FURNITURE

A large choice of furniture (tables, chairs, decoration, stands, etc.) can be reserved and made available to you during your events.

## CONNECTIVITY

Our buildings are equipped with FreeWifi and high speed OPTICAL FIBER (10Gbps).

## LIVE TRANSMISSION

Satellite transmission SD/HD available on site.

## SECURITY

A security and guard service with access control and video surveillance system.

# CATERING

- A fully equipped professional kitchen.
- Catering Service on demand.
- A 321m2 dining hall with 250 seats.
- Three private areas of 16m2 each for 10 to 12 seats.

# EVENT VENUES

Our infrastructures have been acoustically worked to offer you optimal comfort. They allow 3 events simultaneously.

Up to a height of 14 m and an area of 321m<sup>2</sup>, 550m<sup>2</sup> and 2000m<sup>2</sup>, we have designed practical spaces and surrounded by all the facilities for storage and production of scenery, broadband through boxes, makeup room, dressing room, etc. Particular attention has been paid to the management and reception of the public.

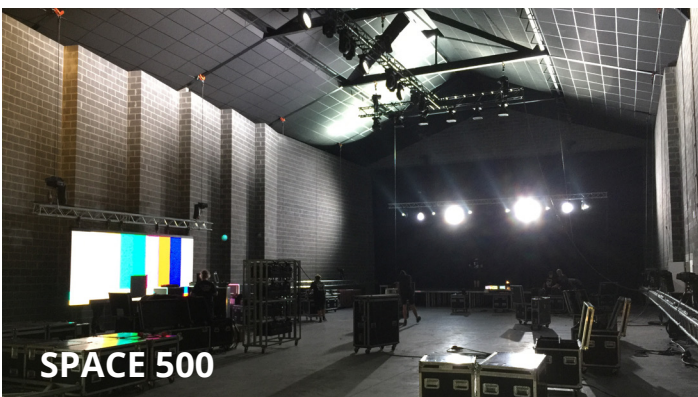

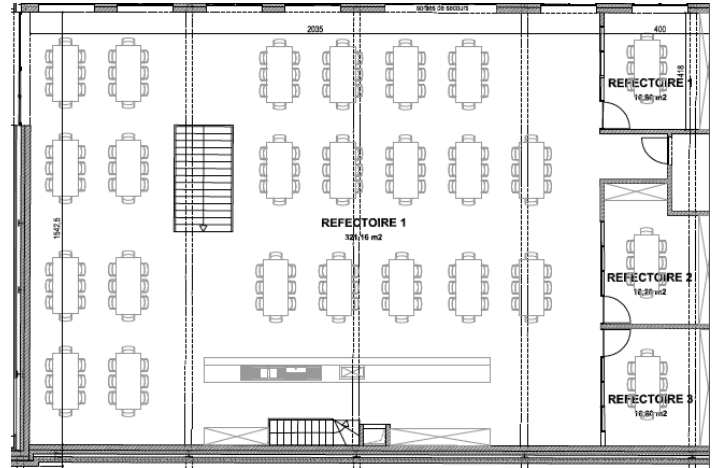

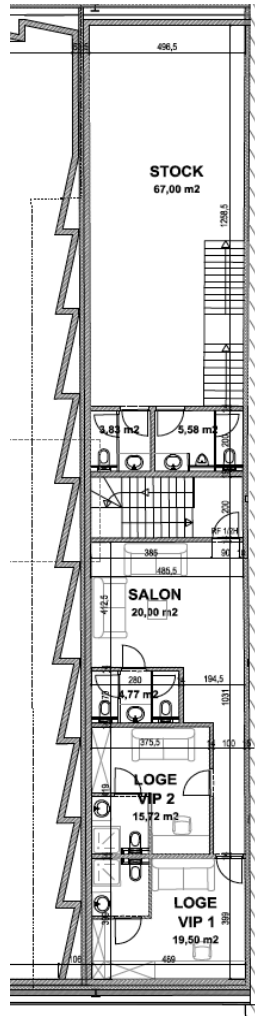

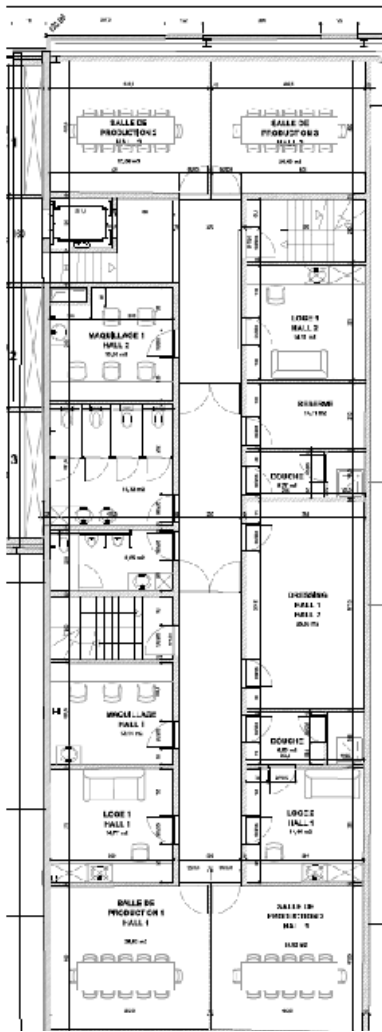

Event spaces	Length	Width	Height*
